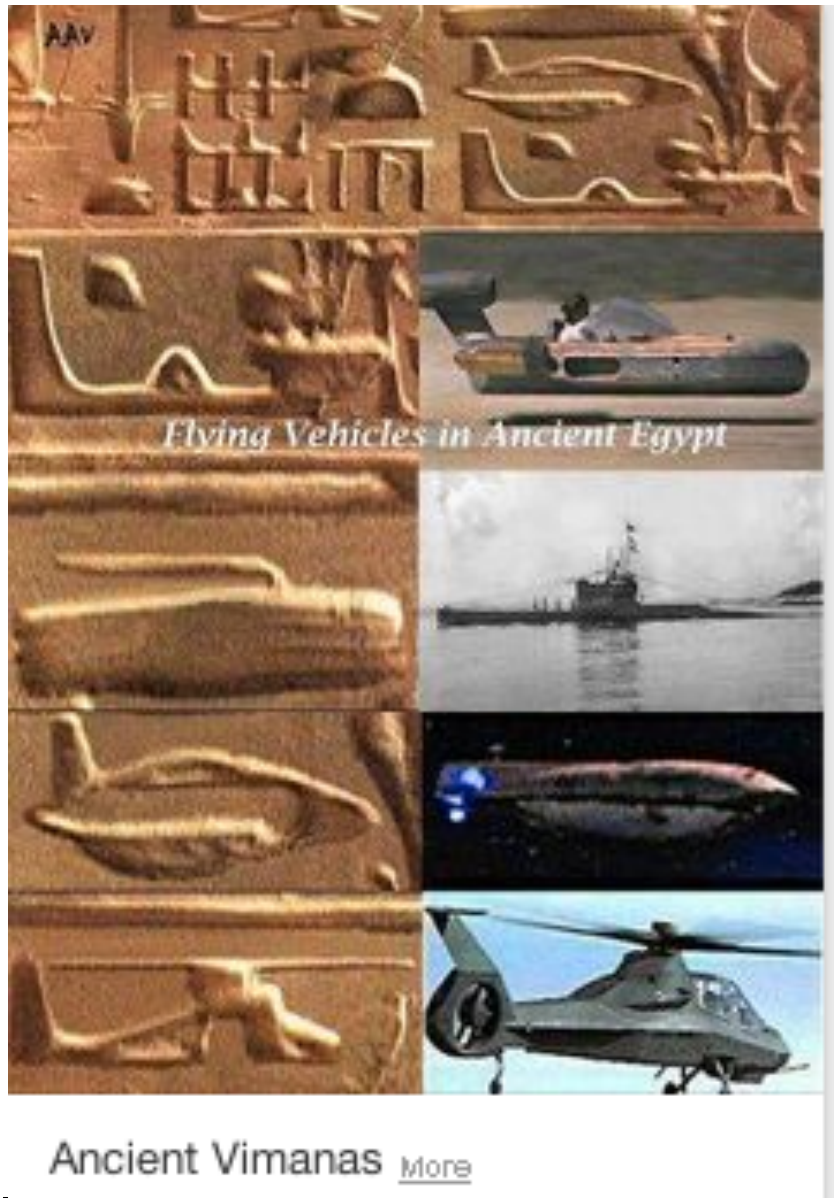
Real Human History Looked More Like This Facsimile



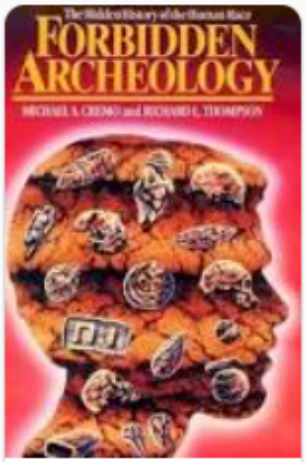
The Hieroglyphic Panel of Vehicles from Abydos Egypt

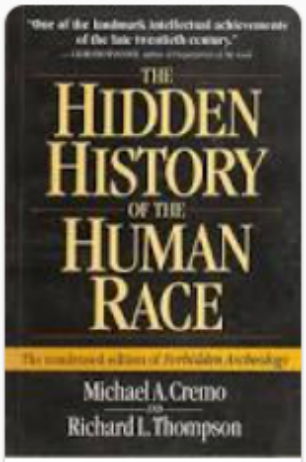
History, Science and Archeology have always been boring subjects for most of us because the findings never made sense and do not reflect true history. All we hear about from archeologists are the Hunter Gathers, Farmers, Clovis People, Spear points etc., and what little we learn about them is illusive. boring, redundant and fractured.

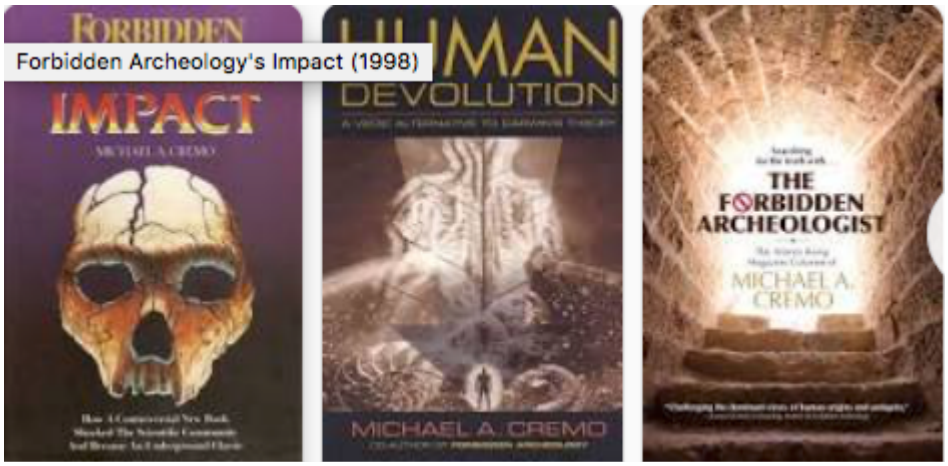
DON'T ROCK THE BOAT

We are NOT SUPPOSED TO KNOW about REAL HUMAN HISTORY or that our ancestors were incredibly advanced people. That is a BEST KEPT SECRET to dangerous for young archeologists to expose. The careers of archeologists and geologists have been destroyed for publishing data that does not conform with the accepted theory which if you DO YOUR HOMEWORK you find correspond to the theories of Human Evolution ONLY. None the less the truth about our REAL HUMAN HISTORY is now beginning to come out today and it is shrouded in mysteries.

Real human history is being hidden from us by the POWER THAT BE. The descendents of evil hybrid races of old now rule our world today just as they did in hidden lost antiquity in parts of the world that were referred to as the REGIONS OF CITY and continent of ATLANTIS. They do not want us to learn about their history and how their hybrid race once corrupted the world gone by just as they are doing today. Their history has always centered around the alien gods they worshipped and the cultures that grew up around these evil beings.







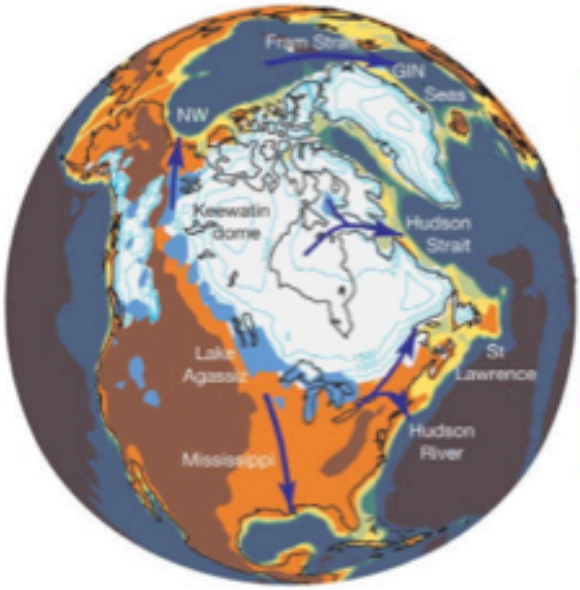
Forbidden Archeology - Jeff Rense with Michael Cremo - Hidden History of the Human Race
https://www.youtube.com/watch?v=VlzwelPZpZw

Those who have always controlled the REAL TRUTH about our human history have been running all over the world secretly digging up real hidden artifacts etc., while we are being fed data from archeologists who are being RESTRICTED from DIGGING for and EXPOSING THE TRUTH.

Artifacts do not lie. They tell the story of incredibly advanced people groups that were destroyed in wars and global cataclysm's that had to do with these gods we call aliens today. They include flood stories, earthquakes, and nuclear and atomic weapons. Buried below the ground, in the ocean and the sands of time are flying machines and vehicles people traveled in that were very much like the ones we have today.

Were there humans during Younger Dryas?

Fossil records reveal a distinct layer of Clovis remains that date back to the Younger Dryas. The numbers then plummeted, presumed perished as the ice-sheet melted and temperatures changed. **The Clovis culture was the dominant human population throughout North America at this time.**



If we glance back to those days what we find is that these advanced civilizations existed on the coastlines of the world, just as the majority of cities do today. When these wars broke out

and as the earth tectonic plated moved in previous Geophysical Pole Shifts, these highly advanced cites were destroyed by Atomic bombs, earthquakes and tidal waves that inundated their shorelines. All you have to do is dig into REAL HISTORY to find this out. Look up what destroyed Soddom and Gomorrah etc., in the Bible. Aliens were using weapons to kill off people groups or nations back then.

The Guanches were the tall native inhabitants of the Canary Islands. They were just about exterminated by the Spaniards at the turn of the 15th century. According to the Encyclopaedia Britannica, the Guanches "are thought to have been of Cro-Magnon origin.. and had, blue or gray eyes, and blondish hair". These ancient mysterous people also left stone pyramids and mummified their dead. Where did the Guanche come from?

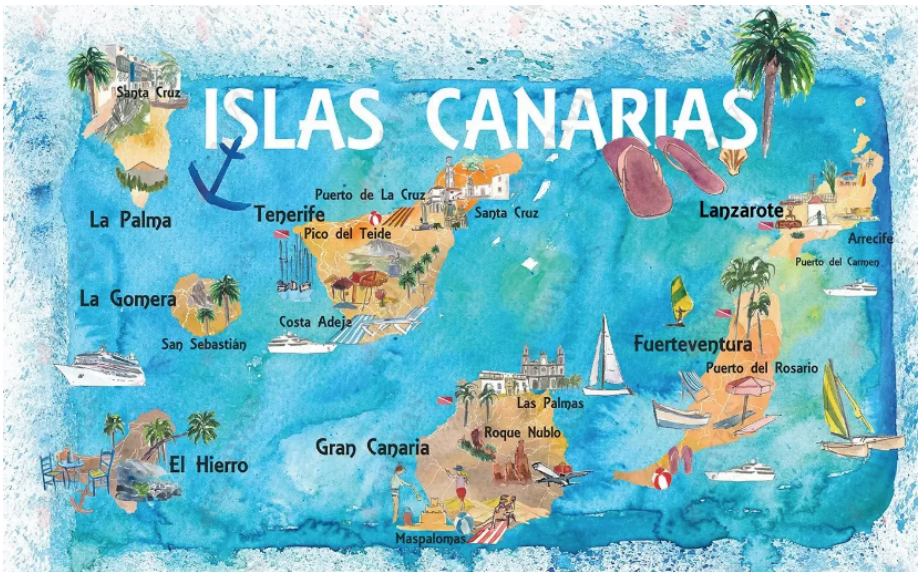
10 Best Guanches Facts: Canary Islands ...



We have examples of these cultures being found off the coastlines all over the world. Those who survived managed to start all over again and can be found in clusters around the world such as on the Guanches the Canary Islands etc., where the Scandinavians and Solutrean Indians once lived.

It sounds as though our earth goes through cataclysmic periods the ancients referred to as dispensations, ages, earth generations etc., and that we are at the end of another one today where mankind reaches a certain level of advancement and then the earth shook as wars broke out that obliterated those previous high tech societies. Aliens do not seem to want us too become too advanced which is indicated in Genesis where humanity need to be created in the image of the Elohim but dumbed down.

Jesus seem to have appeared on earth to warn us about the evil Powers and Principalities of the AIR and that another earth cleansing event would be happening today. He mentioned to his followers that we should be watching for the abomination that makes desolate which will be set up in a spot referred to as a holy place, which may be Israel the home of the AshkeNAZI, Sephardic

Zionists today. They are not the ORIGINAL ISRAELITES. Again, it appears to be a weapon of some kind. He told his followers when we see this being set up to HEAD FOR THE HILLS (higher ground) essentially.

Until we learn the real truth about our human origins we have people like Michael Cremo and Jonathan Gray who have been doing the digging for us into extreme antiquity.

These archeologists began to discover what they called OUT OF PLACE ARTIFIACTS. They are talking about artifacts that have been hidden away or dumped into the oceans by the Smithsonian and by AshkeNAZI Zionists, Sephardic Jews and Merovingian's (ASM's) aka POWERS THAT BE so that we never see or learn about them.

Michael A. Cremo
http://www.mcremo.com/cremo.htm

Michael Cremo refers to himself as a Hindu creationist whose work argues that humans have lived on the earth for billions of years. In my research, I have learned that Scandinavians lived in India originally and it was their knowledge of human origins that was incorporated in the later Indian Vedic ideologies about extreme human history.

Michael A. Cremo tells us that his book Forbidden Archeology: The Hidden History of the Human Race, describes how archaeologists and anthropologists, over the past one hundred and fifty years, have accumulated vast amounts of evidence showing that humans LIKE US have existed on this planet for tens of millions of years. He shows how evidence has been suppressed, ignored, and forgotten because it contradicts generally-held ideaologies about human evolution.

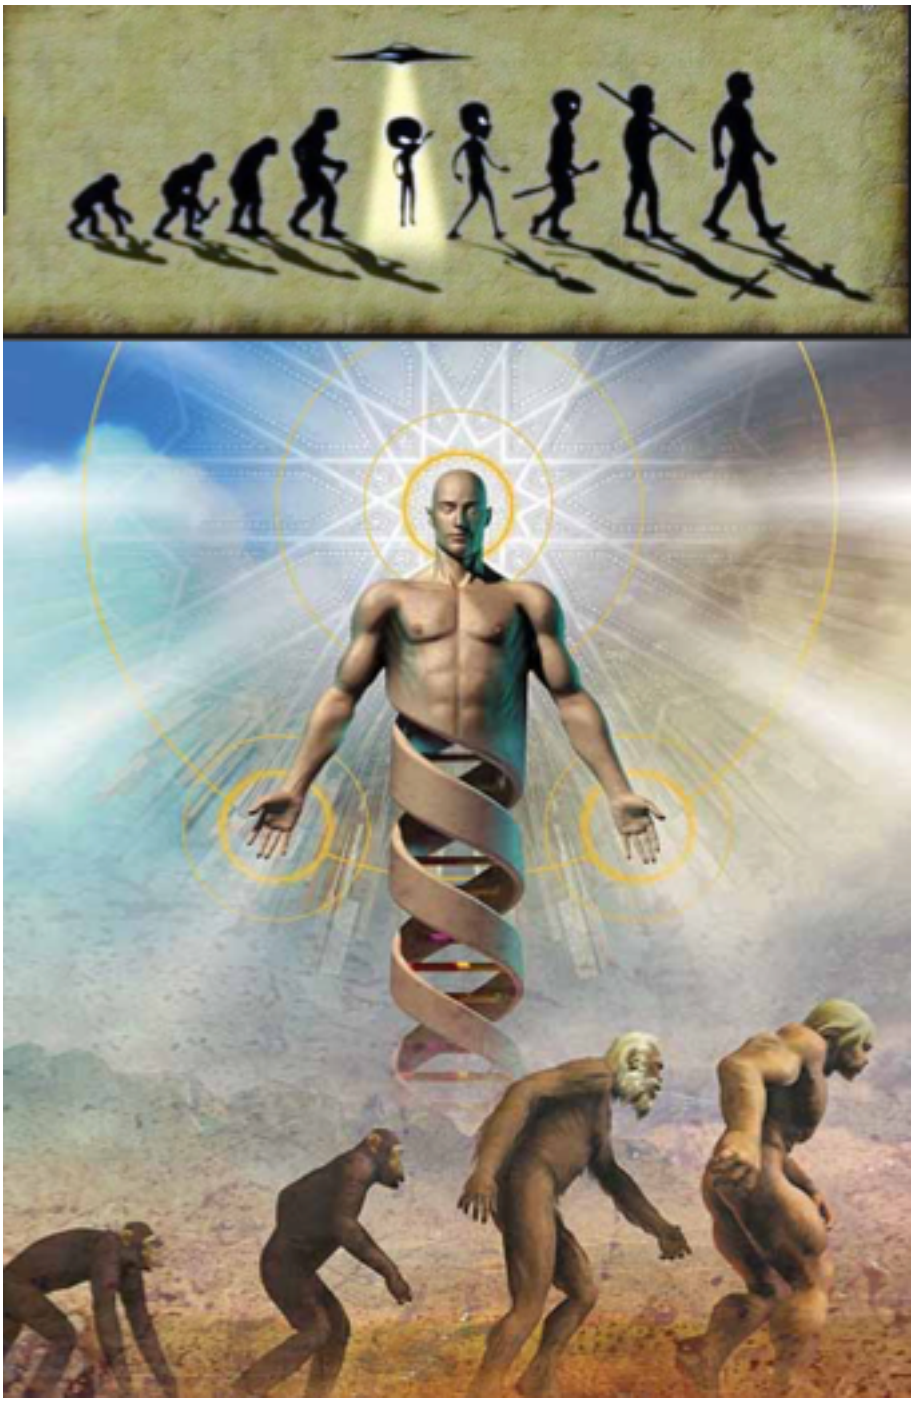
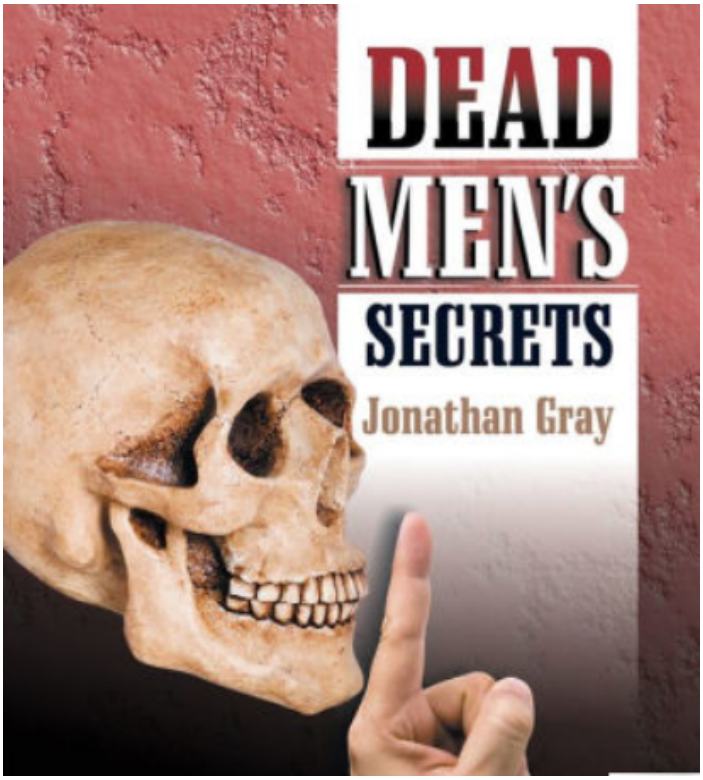
Over the centuries, researchers have found bones and artifacts proving that humans like us have existed for millions of years. Mainstream science, however, has suppressed these facts. Prejudices based on current scientific theory act as a 'knowledge filter', giving us a picture of prehistory that is largely incorrect.

Michael Cremo's book, Forbidden Archeology has been criticized by many mainstream scholars for his unorthodox views on archeology. Scholars of the mainstream archaeological and paleoanthropological communities have described his work as pseudoscience because his findings do not coincide with Darwins Human Evolution theory. Michael A. Cremo identifies himself as a "Vedic creationist because he uses these ancient Vedic texts in his work.



We have to look at the Human Evolution Theory as ALIEN INTELLIGENT DESIGN if we are going to find the underlying cause of what evolution really was. It was Aliens that provided the DNA TWEEKING referred to as the Missing Link where primate

DNA was fused with human DNA to create the different races ancients called SLAVE RACES. The Sumerian Tablets are no different where the gods created a slave race to do the heavy lifting.



Dead Men's Secrets: Tantalising Hints of a Lost Super Race

In Dead Men's Secrets Jonathan Gray states:

"Soon I began to stumble upon something that truly shocked me!... you would call them "out of place" artifacts. Did I say shocked? They blew me over! Because, according to what we were taught in school, these should never exist! And they weren't just in one place. There was a global pattern to them.

This pattern showed a lost super science and technology. That's when I knew someone had to speak up. I knew this content was of tremendous value."

"WARNING! This may be the most important letter you'll ever read.

In a moment I hope to make you so angry you'll want to throw your computer right out the window.

What I have to tell you involves the scandal that's going on in the scientific world today. It's a scandal that - if you are like most people I know - is cheating you of your ancestry and robbing you of many serious benefits you should be getting from existing scientific knowledge.

You have probably been cheated - with misinformation - many times this year without you ever knowing!

Artifacts deliberately dumped in the Atlantic Ocean... certain discovery sites banned to researchers who ask embarrassing questions... an archaeologist ordered to deny a major discovery...

In just a moment you will discover secrets from our past that will blow your mind…

You're going to see the world around you in a new light that uninformed people everywhere are constantly missing. And some puzzles about the past will start making sense."

- And Mayan **dental** crowns and fillings still hold after 1,500 years!
- How does a bird in the Andes turn **hard rock to be soft** like putty? Did the ancients know this formula?
- And did you know that the Inca soaked in **bathtubs of gold and silver**, fed by water pipes of silver and gold?

- That in the city of Pachacamac in Peru the temple stones were fastened with **gold nails that weighed a ton**!
- That in 1963, Peruvian surgeon Francisco Grano **saved a patient's life**, using surgical instruments **from a 3,000 year old tomb**?
- And how about this?: On a plain in Peru can be found **4-dimensional art** with several **faces that disappear or change** into other figures, according to your position or that of the sun.
- And this? From a dead, vine-choked jungle city, have been brought out exquisitely stamped **30 foot long rolls of sheet metal "wall paper"** jointed together with tiny rivets!
- Then there is the mystery of that **vast artificial tunnel** in a remote corner of Ecuador, which was explored by astronaut Neil Armstrong.

Precise mechanics, as good as any we can produce today. 55 BC

  (As Cambridge university scientist Derek de Solla Price said, *"This is like finding a jet plane in the tomb of Tutankhamen."*)

- A wrecked **Phoenician ship** has been found on the West Australian coast. And other Phoenician evidence is found around the country. Near Sarina, Queensland, Val Osborne has discovered remains of a **Phoenician port and mine** from 900 BC.

Traditional theory says this can't be! So with all the publicity, the Central Queensland University reportedly sent an archaeologist to the site, instructing him to **'find nothing'**. Osborne commented, "It's like that – **when they don't want the truth to be known, they will deny it.**

- Numerous traces of **Egyptian colonisation in Australia** have also been unearthed or discovered, such as coins, statues, inscriptions and a tomb, as well as Egyptian customs, religious features and words among the Aborigines.... Oh yes, and pyramids.

INDIA, PAKISTAN

- How about this? Advanced mathematics, with **measurements in micro-fractions** – down to the disintegration rates of sub-atomic particles (1/300 millionth of a second). I ask you, how could these have been measured without precision instruments? And why did they find it necessary to measure them?

- Why were 44 skeletons dug up in Pakistan found to be **radioactive**? 2000 BC

- ***MAN TURNED TO GLASS:***

In a forest of NE India, explorer-hunter H.J. Hamilton received a substantial shock

In a forest of NE India, explorer-hunter H.J. Hamilton received a substantial shock when he entered ancient ruins. On a chair, made of the same **'crystal'** as the walls, an odd shape was crouching, with vaguely human features.
At first he thought it to be a statue damaged by time. But then he was filled with horror: under the 'glass' which covered that 'statue' a **skeleton** could clearly be seen! Melted, crystallized!
